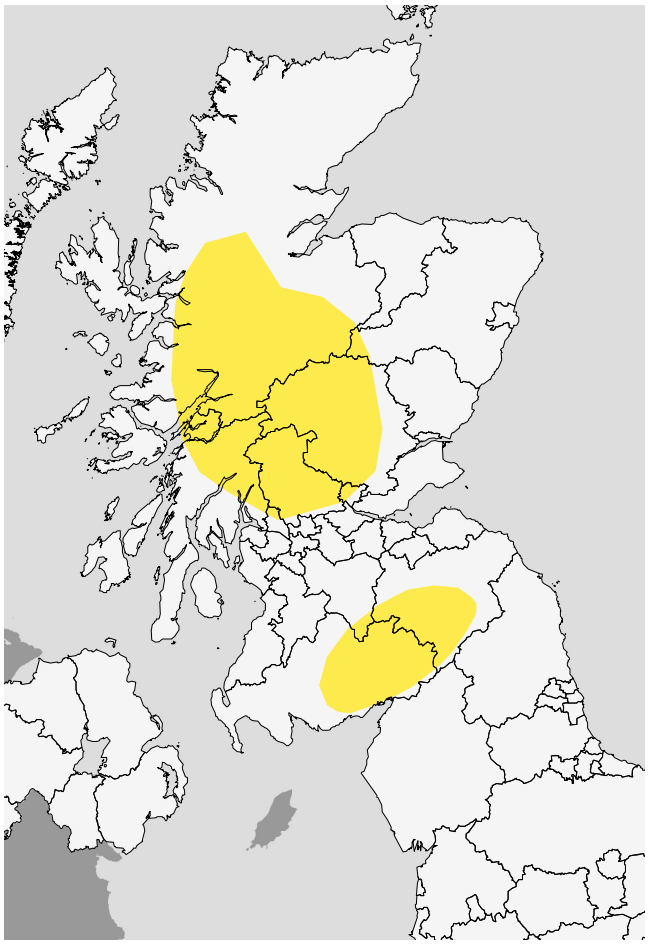
Yellow warning
Rain

Between
04:00 Sat 11 Jan 2020 and
21:00 Sat 11 Jan 2020



Persistent and heavy rain will develop through Friday night continuing for much of Saturday.

What to expect

- Where flooding occurs, there could be delays or cancellations to train and bus services
- Spray and flooding will lead to difficult driving conditions and may cause some road closures
- There is a small chance of fast flowing or deep floodwater
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings

Further details

Strong southwesterly winds will bring outbreaks of heavy rain across Scotland, this most persistent across western, central and southern Scotland. 40-60 mm is expected quite widely, with in excess of 100 mm possible over high ground of Argyll. Rain will clear southeastwards through Saturday evening.

Reason for update

Change to area. Warning period extended till 1800 on Saturday.

Very low likelihood of medium impacts
